ENGINEERED FOR EXCELLENCE

E-Learning software Phase 2

Date:15/08/2023

Here are the basic services and work of the system which we will develop.

1. In Multiple Questions, and Detailed Questions, all Questions there should be a difficulty level option
2. There should be an add option for question type, zeshan bai ye phase 1 ka hisa ta Q K ap ko hum ny jo reference ESTUDYCARD ka diya ta ap ny os ko tek sy chek nahi keya hai ap kindly English & urdu k subject's os mai check karlay?
3. In test creation, time is required with date and time and there should also be an expiry time and Self-Assessment admin teacher and parent main Time K Two option kar lain full test time or jes tarah question k mutabik time hai Or self-Assessment Test k bad Result Darik show hona chahiyain Or Self-assessment ka Record zarori nahi hai.and result show hony k bad back hony pr dobara show result ka option ata hai es ko tek karlain..
4. The topic is also needed with the chapter while creating a test,zeshan bai ye b apny new changing mai raka hai ye to hum pehlay din ap ko bataya b ta or ap Estudycard b check karly?
5. There should be a filters option on the graph,ye b apny new changing mai raka hai estudycard ke reference hum ny pehly he apko de te.
6. Book slider In My Digital Bag
7. Account creation through card numbers will change the system's current account creation module. Es option mai 1 card number sy Sirf Students and Parents k leyai account create hoga. bakaya Teacher Login K liyain Admin Khod Username and password bana kar daingay.
8. Online and offline user: users k online offline ka time record show hoga Super Admin ko yani kab online howa ta or kitny time online ta or last kes time ko offline howa hai.
9. Redesign the full syllabus page: graph design, student, parent, teacher, paper creation login button k liyain icon logo, or dashboard buttons k logo add karwana har button ka logo hum daingay apko. Mobile Tablet and laptop par website design acha show hona zarori hy.

10. The visual dropdown on the dashboard to add visual ass shown by Mr. Tariq dropdown mai subjects show hongay subject click karny k bad ose subject k visual show hongy.

11. The visual option will be like question addition to adding videos and animations,sabaq.pk website check Karly os mai jes tarah ek he page par har unit mai topic k mutabik videos hoti hai ese tarah koye design kar lai magar tori boht changing Karly same ose ke tarah na kary ye sirf reference dy raha ho apko.

12. My document option where the user can save his notes (screenshot for Reference and there only will be text).

13. Scientific calculator integration. We will integrate a third-party scientific calculator into the system ye zara detail sy smja dain per. Scientific calcuator header pr button hoga test k doran ya kese b activites k doran screen pr use hoskta hoga.

14. The general knowledge module will be the same for all classes, including only MCQs. This is a completely new module and will be a major change, zeshan bai, es mai option rak lai k hum apni marzi sy 1 he general knowledge ke book all classes ko show karwana chahai ya har class k leyai alag alag genral knowledge book add kary, ye admin ke marzi hoge.or jes tarah general knowledge ka button dashboard par hai ese tarah koye button admin manual name apni marzi ka dy saky or same general knowledge ke tarah os mai questions add kary.

15. Super admin sirf 1 he hoga. dosray admin ko full accses nahi hoge os ko sirf data upload karny ke ijazat hoge super admin: dosry admin ko apni marzi k boards, classes, or books k liyain account create kary ga jes main dosray admin ko os book ka data upload karny ke ejazat hoge. har subject ka apna admin hoga jo sirf os he subject mai Questions and MCQs upload kary ga.

16. MY TEACHERS BUTTON students and parents dashboard pr hoga jes mai students ko apny har har subject k teacher ke information show hoge.teacher ny jitny test liyain teacher ny student k barain mai kya comments d

Teacher Panel

Teacher's panel is a completely new module, Teacher will be responsible for all the actions related to students, test creations etc.

1. Add School teachers with all his details, zeshan bai har teacher k sat os k apny subjects k students add karny ka zikar ap ny nahi keya hai?har teacher ko 1 subject ya es sy zyada subjects k students add karwanay ke access daina admin ke marzi hoge.
2. Add tuitions teachers with all his details, es teacher ka alag profile hoga es k test reports & graph alag hongay.
3. Teachers can create tests teacher tutor and admin jo auto test create kary gay wo sab students ko auto sy shuffle hongay yani sab students ko alag alag test reseved hoga.
4. The manual test creation teacher will insert manual question and answer while creating the test Teacher's tutor and admin manual test mai Multiple Questions Add kary gay jes tarah Admin panal mai Create hoty hai. or Teacher's & tutor jo test create karain gy wo Admin ko Show ho saky ga..
5. Notice board on the dashboard for students and it will display the messages posted by the teachers tutor and admin.
6. Header par manual toggle button add karna jes ko hum apni marzi ka name daingy os mai ya links hongy ya koye msg hoga Question add mai jes tarah text and media ka option deya ese tarah box rak lai or ye button admin students teachers and parents ko apny header pr show hoga students ke update students ko show hoge parents ke parents ko show hoge and teachers ke

Thank you note:

At the end, I wanted to say thank you for all your trust and for your cooperation with us in whatever way you did. Working with you has been an absolute pleasure, and we have always admired your dedication, professionalism, and commitment to excellence. We value the relationship we have built over time and are excited about the opportunities that lie ahead as we embark on this extended journey together.

Please be assured that our entire team is dedicated to ensuring a smooth transition and seamless integration of the expanded business. We will be working diligently to provide you with the same level of personalized attention, reliability, and quality that you have come to expect from us.

Once again, thank you for choosing to extend your business with us. We value our partnership and look forward to many more years of shared success. If there is anything specific you would like us to address or discuss, please do not hesitate to reach out. We are here to assist you in any way we can
